LN 42-120-1  
CORRESPONDENCE  
(date)

SUBJECT: Correspondence submitted to the Director and his Deputies

1. All personnel of Logistics Office originating, preparing, processing, reviewing or concurring in correspondence prepared for submission to the DCI, DDCI, DD/A, DD/I, DD/P, Director of Training, <sup>AD</sup> Assistant Director for Communications and AD for Personnel, are requested to review the following Agency regulatory matter:

a. Agency Correspondence Manual dated April 1952

b. Regulation [redacted] "Concurrences"

c. CIA Notice [redacted] dated 28 February 1953, "Preparation of Correspondence"

d. P&SO Instruction dated 2 March 1953, "Correspondence Procedure"

e. CIA Notice [redacted] dated 19 June 1953, "Correspondence of the Depu"

f. CIA Notice [redacted] dated 9 September 1953, "Staff Papers"

g. Regulation [redacted] 9 October 1953, "Staff Studies"

2. In brief summary:

a. The provisions of CIA Regulation [redacted] "Staff Studies", STATINTL also apply in principle to letters or other types of material submitted to the Director and others mentioned above.

b. If material is to be signed by the Director, two file copies are required ~~one to be the yellow official file~~ plus two file copies for the DD/A. If addressed to the Director <sup>DCI or DDCI white</sup> <sup>DCI or DDCI</sup>

for the approving official  
in addition to the  
original,

for ~~one~~ approval, ~~an original~~ and two ~~files~~ copies are required plus one ~~file copy~~  
<sup>white</sup> copies  
for each concurring official.

c. Signature and title of the originator, concurrences, qualifications, or non-concurrences shall be evidenced in writing on the ~~original and also on one white~~ <sup>for the DCI or DDCI.</sup> ~~official file copy of subject correspondence. If for the Director's~~  
~~signature, such evidence shall appear on the official file copy and on~~  
~~one white tissue file copy. (Written evidence on two copies is not~~  
~~required by Regulations, but has been requested by the DD/A.)~~

3. Some provisions of the referenced regulations have been disregarded in some instances by this Office. It is particularly important that <sup>all</sup> Staff papers, <sup>including those</sup> prepared in emergencies or on a crash basis, <sup>be submitted in the required number of copies,</sup> be in proper format and completely coordinated, in order to ensure expeditious processing through official channels without the necessity of return or retying to complete details.
